

Vantage Infrastructure awarded top ESG score

London, 1 August 2019 - Vantage Infrastructure is pleased to announce that, in the 2019 United Nations-supported Principles for Responsible Investment (PRI) assessment report, it was awarded the top score of A+ for its approach to ESG strategy and governance and A for ESG integration across both its Infrastructure Equity and Fixed Income asset classes. The integration of ESG into its investment processes has been recognised to be in line with or above the median scored by its peers in all categories.

“These results are testament to the importance we place on ESG integration across all of our investment activities,” said **Valeria Rosati, Senior Partner, Vantage Infrastructure**. “We aim to be a leader in this field in order to best serve both our clients and the stakeholders impacted by the infrastructure assets we manage on their behalf. Whilst we continue to build out and improve our ESG activities in line with our 360° ESG framework, we are delighted that our initiatives to date have been recognised by the PRI.”

Summary Scorecard

Module Name	Vantage Score	Vantage Score	Median Score
01. Strategy & Governance	A+		

Direct and Active Ownership Modules

14. Fixed Income – Corporate Non-Financial	A		
18. Infrastructure	A

About the PRI

The PRI is the world's leading initiative on responsible investment. The Principles for Responsible Investment are a voluntary set of investment principles for incorporating environmental, social and governance issues into investment practices. In implementing the principles, signatories contribute to developing a more sustainable global financial system. The principles have signatories including asset owners, investment managers and service providers from over 50 countries.
